

THE PERFECT SIGNATURE

How to make sure your signature sheet is the best!

Sign in a BLACK Permanent Marker

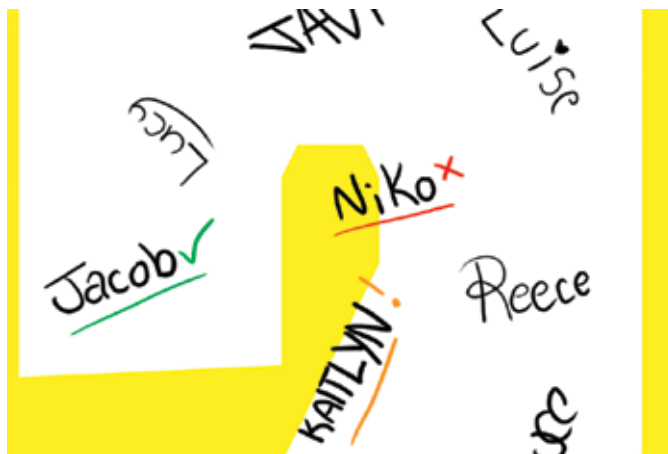

Either an Ultra Fine or Fine Point marker works best. Pens are too thin and may not print clearly.

Do Not Use Colours - We only print signatures in one colour, so sign them using black

Stay Inside The Lines

Where possible, try to keep names off the edge too - reduces the risk of something happening in print

If a student writes outside the numbers, simply white it out and have them rewrite it.

Mistakes Happen!

If a mistake happens, either use some white-out to remove it or, if that's not possible, let us know so our artists can remove it.

This tips will make sure your signatures are an
